PANELS INVERTERS BATTERIES

ORATEK-HK.COM

TABLE OF CONTENT

PAGE 3-4

SOLAR PANELS

Discover our range of high-performance photovoltaic panels, designed to maximize your renewable energy production and reduce your carbon footprint.

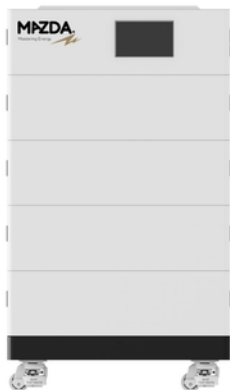

PAGE 5-9

SOLAR INVERTER

Discover our complete range of high-performance inverters for residential and industrial photovoltaic installations.

PAGE 10

STORAGE BATTERIES

Maximize your energy autonomy with our innovative storage solutions. Performance, reliability, and durability for optimal management of your solar energy.

SOLAR INVERTER

Discover our range of high-performance photovoltaic panels, designed to maximize your renewable energy production and reduce your carbon footprint.

DISCOVER

SOLAR PANNEL

Oratek GKA210N132

700W - 720W

High efficiency
Exceptional guarantee
2384 × 1303 × 33mm | 38.7 kg

ORATEK GKA182N144

580W - 600W

N-TOPCon Technology
Exceptional guarantee
2279 × 1134 × 30 mm | 25 kg

Oratek GKA182N120

480W - 500W

High efficiency
Exceptional guarantee
2279 × 1134 × 30 mm | 25 kg

SOLAR PANELS

Discover our complete range of high-performance inverters for residential and industrial photovoltaic installations.

DISCOVER

HYBRID INVERTERS

SUN-3.6K

Compact hybrid inverter

SUN-6K

Residential hybrid inverter

SUN-8-12K

Versatile hybrid inverter

HY-SUN-40-50K

Industrial hybrid inverter

HYBRID INVERTERS

SUN-5-25K

Commercial hybrid inverter

SUN-29.9-35K

High power hybrid inverter

GRID INVERTERS

SUN-6KW

Compact single-phase inverter

SUN-1-4KW

Residential inverter

SUN-3-15KW

Commercial inverter

SUN-18-25KW

Industrial inverter

GRID INVERTERS

SUN-30-36KW

High power inverter

SUN-40-50KW

Advanced industrial inverter

SUN-60-80KW

High power inverter

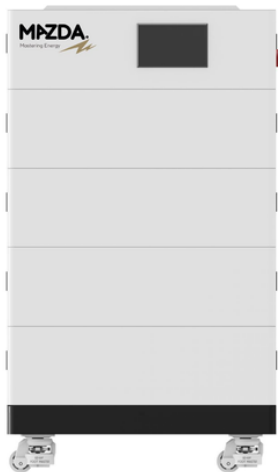

SUN-70-110KW

Ultra-power inverter

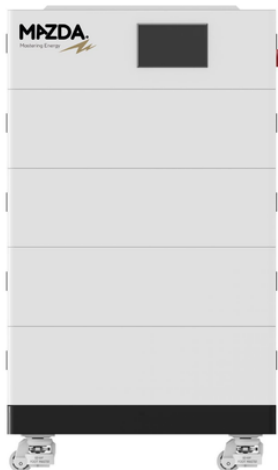

STORAGE BATTERIES

GLC125-261

Capacity: 125 kWh
Nominal voltage: 261V
Lifespan: >6000 cycles

HVM30~120S100BL

Voltage: 30-120V
Capacity: 100Ah
Built-in smart BMS
